

***CRITIQUE BOUTIQUE***  
**SONG SUBMISSION GUIDELINES**

To have your song considered for a Critique Boutique segment on YouTube, please submit the following:

1. ONE song demo recording on CD or cassette. It doesn't have to be an expensive studio recording, but it must be clear.
2. Typed lyric sheet for the song. Handwritten lyrics will automatically disqualify your song.
3. Signed release form. Please print out the release form and sign it. If there is more than one songwriter, each writer must sign in ink. No photocopies of signatures. This release gives us permission to use your copyrighted material on the YouTube segment. It is NOT a songwriter agreement, and you will still own all rights to the song.
4. A short cover letter giving a VERY BRIEF background on you (100 words or less). Also, include any contact information that you are comfortable sharing in the segment so that YouTube viewers may contact you if interested in your music.

Send the above items to:

From Nowhere with Nothing  
CQK Music Group

CQK Music Group will not return any submissions, nor do we guarantee that all songs will be reviewed. If your song is selected, we will notify you prior to the posting of the segment.
